UCSC Child Care Services Mission Statement
The mission of Child Care Services is to promote access to higher education through provision of affordable, accessible, quality developmental childcare for university parents. We assist parents in reaching their educational and career goals particularly non-traditional, underrepresented, and at-risk students; support diversity, and productivity; and support the university’s research, teaching, and community service goals.
We provide services and programs to attract, serve and retain a diverse population of students by serving those of low-income and others for whom lack of child care is a barrier to education.

We provide high quality child care, which is affordable and accessible.

We provide an educational program that is culturally and developmentally appropriate for the children served, and which facilitates children’s physical, cognitive, social and emotional growth.

We provide family education, family support services, and family involvement opportunities.

We provide nutrition, health and social services, community involvement, developmental assessment, and staff development components as required by the State Department of Education.

We provide a strong recruitment vehicle for the university in attracting nontraditional and underrepresented students, and increase retention of these and other at-risk students.

We provide meaningful employment and training opportunities for students who support themselves while achieving their education.

We provide field research and observation opportunities for students to accommodate the instructional, research, and service interests of academic divisions.

We support positive university relationships with the greater Santa Cruz community by helping to address the shortage of quality, affordable childcare in the Santa Cruz area, particularly infant, toddler, kindergarten after-school, and school age care.

**Program Philosophy, Goals & Objectives**

**Philosophy**

EES is dedicated to providing the highest quality developmental care possible in a secure, homelike environment characterized by warmth, affection, and support. We believe that children learn through play and exploration while engaged in relationships with peers and responsive, caring adults. We nurture all aspects of a child’s development: cognitive, emotional, social, creative, and physical. Individuality is acknowledged and respected, as children are encouraged to develop skills in decision-making and social interaction.

Children play an important role in developing our curriculum. We build on the expressed interests and ideas of children and their families to create a continuously developing and exciting curriculum.

Learning is a balance of independent exploration and teacher-directed activity, carried out at the child’s own pace.

We believe that caring and education are inseparable. Children need to feel comfortable and secure, to know what is expected of them, and to have opportunities to express themselves. Adults in our program establish positive personal relationships with children to effectively foster development.

Children learn in the greater context of their families and community. Family involvement positively reinforces each child’s family traditions and culture. EES creates a culturally stimulating, accepting, and nurturing setting through collaboration with families. We share in the rearing of our community’s children in the spirit of respect and cooperation, characterized by effective communication, and shared decision-making.

EES has a philosophy of zero tolerance for abuse. Parents may observe our programs at any time without prior notice.

All of our programs are licensed, and administered under Title 22 regulations of the State of California, and Title V Terms under the Department of Education. EES receives State Department of Education funds, Student Registration Fees, Housing Auxiliary Funds, Student Referendum Fees, and Parent Fees. This funding enables us to provide free or low-cost care for qualifying families.

**Overview**

**Nondiscrimination Policy**

Early Education Services programs are open to all families without regard to race, color, national origin, gender, religion, age, physical or mental ability, political beliefs, sexual orientation, or marital or family status. We refrain from religious instruction or worship. We are committed to making all reasonable accommodations to meet every child’s needs. Please call 459-2967 or email earlyeducation@ucsc.edu if you require alternative means for communication of
program information (Braille, large print, audio tape, etc.) or if you need disability-related accommodations to visit us. No optional or supplementary services are offered.

**Anti-bias Curriculum**
Between the ages of two and five, children become aware of differences in gender, race, ethnicity, and abilities. They are also sensitive to the attitudes (both positive and negative) that family and society attach to these differences. EES embraces age-appropriate anti-bias curriculum that reflects the diversity of our community and world and that conveys complete respect for ethnicity, gender, age, class, family structure, and physical ability. Our goal is to create a learning environment where each child develops a strong personal identity, feelings of comfort with diversity, the ability to talk about differences, and to challenge bias. During the course of the year we:

- Present children with material from different cultures and ethnic groups
- Talk about many kinds of families, e.g., single parent, blended, nuclear, extended, adoptive, gay, lesbian, and multi-racial
- Present images of women and men in roles that challenge the prevailing stereotypes
- Include curriculum materials which encourage respect and appreciation for aged and physically challenged individuals

As in all of our work with children, we begin with the premise that the role of the teacher is to help children explore their world in an open-minded and inquiring way. The teacher presents alternatives, asks thought-provoking questions, and gently guides children to think critically and act responsibly. We are happy to share our resources with you, and/or to discuss any ideas or comments you would like to share.

**Desired Results**
The EES is under Title V Quality program and receive funding from the California Department of Education (CDE) to provide affordable child care. EES is required by the CDE to assess children.

A desired result is defined as a condition of well being for children and families (e.g., children are personally and socially competent). Desired results reflect the positive effects of the child development system on the development and functioning of children and on self-sufficiency and functioning families.

**Developmental Assessment**
Assessment of children is the process of observing, recording, and otherwise documenting the work children do and how they do it. We practice “authentic assessment” at our programs, which means that we assess children in the process and context of their everyday play and routines. We use assessment as a basis for planning for classrooms, small groups and individual children. It shapes curriculum and gives us valuable information to communicate to parents regarding their child’s development.

Portfolios, Core Files, Child Summaries and Developmental Profiles must be developed and maintained for each child throughout their stay at EES. This information will follow your child from program to program. A Developmental Profile and Child Summary must be completed within sixty days of your child’s enrollment. The Desired Results Developmental Profile (DRDP) is performed for each child twice a year. This documentation process includes:

- Children’s portfolios: samples of artwork, photographs and periodic anecdotal records. Portfolios are kept in the classroom where the children and their families can view them.
- The DRDP is performed for each child twice during the academic year over fall and spring quarters. It is part of the child’s Core File, which is located in the program office.

The Child Summary is a synopsis of the DRDP, which is presented to the family at the family/teacher conference. After reviewing the document, both parent and teacher sign. Families are provided a copy of the Summary. The Child Summary is also part of the Core File.

**Communicate, Communicate, Communicate**
In addition to daily exchanges with classroom staff during drop-off and pick-up, meetings can be arranged for more extensive or private conversations outside of the classroom. The teachers, Program Supervisor, or the Director can make themselves available at your request. Feel free to call or email at any time. You are invited to leave written notes for teaching staff in the program’s office. Please check your classroom parent pocket daily for messages, program news, and communication and EES information.
We will do our best to keep you informed about your child’s day at school, our curriculum, and our observations of your child’s growth and development. Please let us know if unusual circumstances are occurring at home or elsewhere in your family or child’s life. We can better assist your child during the day when we know how the evening and the morning went at home, or how vacation was. When we are informed, we are prepared to help your child think and talk about what is happening. All sensitive family matters are treated confidentially, and discussions regarding such information are limited to the regular teaching staff.

**Reporting Concerns** - Reports to EES can be made in person, by email or by phone.

Emili Willet Director, EES  
831-459-4073  
iwillet@ucsc.edu

Jamie Delaney, Site Supervisor, EES  
831-459-3013

Written anonymous reports of concern may be placed in the EES secured drop box to the left of the EES conference room door in the FSH Lobby. This box will be checked at least twice weekly.

**Family Conferences**

Teachers conduct family conferences twice a year, and more often for infants. Additional conferences may be scheduled at any time you or your child’s teacher request one. Conferences provide uninterrupted time for you and your child’s teacher to focus on your child’s growth and development. Please use conferences as an opportunity to let us know how we are meeting your family’s needs by sharing information, concerns, and goals.

**Program Evaluation**

We want to know how we are doing! A complete program evaluation is done annually in the Spring Quarter. Staff completes a self-study of the program, and families are asked to complete an anonymous questionnaire. Your feedback is essential and will be evaluated by staff to use in planning, developing and improving our programs for the up-coming year.

"I Have a Concern or a Suggestion. Where do I go?"

We value your feedback and encourage you to talk with EES teachers. When appropriate, we encourage you to speak directly to any individual with whom you have an interpersonal issue. We realize that it is not always comfortable or that you may not reach a satisfactory resolution.

If an issue should arise regarding policy, staff, physical environment, health and safety issues or your child’s teacher(s), you can speak with the Program Supervisor. If you feel you still need more assistance, you may contact the Director.

**Staff Development**

UCSC Early Education Services is committed to quality early childhood education. We hire qualified staff. All staff holds the appropriate credential/permit required by the state of California.

- New employees are provided an orientation to guide them to understand how agency policies relate to their perspective job description
- We support continuous staff growth by assessing the needs of staff and providing professional development activities to enhance their growth
- Our staff members are evaluated annually. New hires will receive both a three-month and six-month evaluation during their probationary period.

**Staff**

All EES staff meets or exceeds the qualifications and has a background check as required by the State of California and are fingerprinted through the Department of Justice. In order to be hired, and for continued employment, the employee must have the following: Fingerprint Clearance, Clearance of any convictions, Mandated Reporter Statement, Physical Exam and TB Clearance, Picture ID & Social Security Card, Personnel Record, Signed Employee Handbook and Verification of Education. We choose teaching staff who are warm and nurturing, and who can apply their knowledge respectfully toward children and families.
The State Commission on Teacher Credentialing credentials all EES teachers. On-going professional development, which keeps us current in the field of early education, is a valued component of EES programs. Our dedicated work-study student teaching assistants (TA’s) receive extensive training in valuable child development and education skills. The EES Program Supervisor and Director are highly experienced and qualified early childhood professionals. Teaching staffs including Teacher Assistants and volunteers are regulated monitored by the Director and Site Supervisor. These visits are both announced and unannounced. We have a very comprehensive checklist to record and document the findings.

Meals and Nutrition
EES provides highly nutritious, appealing breakfasts, lunches, and afternoon snacks. We participate in the Child and Adult Care Food Program (CACFP) and follow all CACFP guidelines. We emphasize whole grains and avoid processed sugar. Whenever possible, produce is organic. We attempt to provide meals from a variety of ethnic backgrounds, reflecting the diversity of our families. Menus are posted monthly in the programs. There is no separate charge for the EES food program. Our children’s meals are provided by UCSC’s dining services.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sec, age, or disability. If you feel you have experienced discrimination based on race, color, national origin, gender, religion, age, disability, or political beliefs, we encourage you to talk to our Civil Rights Coordinator. Because we participate in the Child and Adult Nutrition Programs, we are required to inform you of the USDA (United States Department of Agriculture) complaint procedure. Any person alleging discrimination has the right to file a Discrimination or Civil Rights Complaint within 180 days of the alleged discriminatory action. This type of complaint must be filed with the U.S. Department of Agriculture, Director, Office of Adjudication and Compliance, 1400 Independence Avenue, SW Washington, DC 20250-9410. You may contact the Office of Adjudication and Compliance Customer Service Unit for further information at (866) 632-9992 (toll free) or (202) 260-1026.

If you have a program complaint dealing with non-discriminatory issues such as program service or violation of federal or state laws or regulations which you have not been able to resolve with us, you may contact the Civil Rights and Complaints Coordinator at (916) 445-0850 or (800) 952-5609.

Food Allergies
To provide the at most safe environment for those children with severe allergies of nuts, our entire program is a NUT-FREE ZONE. If your child has specific food allergies or intolerances, we can make reasonable accommodations. Upon request, EES will provide you with a medical statement to be completed by your child’s physician. With this form on file, we can supply appropriate substitutions of food and beverage for a child with medically recognized dietary restrictions. Unfortunately, we cannot offer alternative foods because a child simply does not like what is being served.

U.S. DEPARTMENT OF AGRICULTURE NONDISCRIMINATION STATEMENT

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (AD-3027), found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call 866-632-9992. Submit your completed form or letter to USDA by:

How to Qualify for the Program

Who is eligible?
Families must have an affiliation to UCSC as a student, and be currently enrolled in classes to be eligible for enrollment in EES programs. EES follows the guidelines of the UCSC Child Care Access Policy, and the Title V Terms for families receiving subsidy.

Parent Requirements
The following items are required for parents to complete in order to enroll your child in EES.

- Admission Agreement
- Child’s Preadmission Health History and an EES Developmental Evaluation
- Physicians Report with TB Acknowledgement/ Immunization Card
- Consent for Medical Treatment
- Parent’s Rights
- Personal Rights
- Infants Needs and Service Plan
- Parent Handbook & Abuse Risk Prevention Booklet Receipts

Deviation from Contracted Hours
Each family will choose a schedule of care for their child that will become part of their Admission Agreement. Any changes to the schedule must be requested in writing two weeks in advance of a change. If a child is not attending the contracted hours for more than 10 days, Early Education Services reserves the right to permanently change the child’s schedule to the adjusted hours, or terminate care. Due to the continuity of care, we encourage a Fee-for-Services families have a regular attendance of their children.

How to qualify for Subsidized Program

Eligibility and Need Qualification
In order to qualify for subsidized care, a family must prove income eligibility. The family must receive public assistance or have a combined gross monthly income of or below 70% of the State Median Income. Need and qualification for care are established at the time of initial enrollment, and referred to as “12 month eligibility”.

EES is required by Title V to fully document need before care is authorized. Services will not be provided to newly enrolling families until all documentation requirements have been met. Currently enrolled families must provide all documentation required to update contract information upon request. Failure to meet documentation requirements by the deadline provided may result in termination.

To receive General or Full-Day State Preschool subsidy, families must demonstrate need in addition to income eligibility. In the case of two-parent families, BOTH parents must be fully occupied; attending school or training programs, working, or seeking employment. Parental incapacity, homelessness, or need for child protective services

Subsidized Families
Our programs offer California Department of Education (CDE) subsidized child care for low-income families who qualify for services. Subsidized eligibility waiting lists are maintained in accordance with CDE Admission Priorities Eligibility and Need.

Eligibility is based in documentation and verification of at least one of family size and the following:
- Income
- Current Aid recipient
• Homelessness
• Child Protective Services
• At Risk of Abuse, Neglect, and/or Exploitation

Income documentation is for the month preceding certification or recertification. Current and on-going income documentation may be requested.

The EES reserves the right to ask for additional documentation to verify income.

What is Need?
Criteria need for services is based on documentation and verification of at least one of the followings:
• Child Protective Services
• At-Risk
• Parental incapacity
• Employment
• Training toward Vocational Goal
• Seeking employment
• Seeking Permanent Housing

Payment
EES parent fees statements for fee service and parent fees fee-paying subsidized families will be emailed a few days prior to each month. Payment is due upon receipt. You will be provided a written receipt when your payment has been made. Since EES does not automatically give you a summary billing statement, we encourage you to keep these receipts as verification of childcare fees. Tuitions are based on the current expenses to operate a quality program for children. Rates are figured as an annual amount that takes into account total days of operation. EES does not prorate fees due to holidays or academic closure, (except for June 8 September). Families are required to pay full tuition each month regardless of the differences in days of operation from one month to the next.

How families are selected
Admission Priorities
First priority: families whose age eligible children are receiving child protective services or families whose age eligible children are at risk being abused
Second priority: All CSPP eligible four-year-old children shall be admitted first before CSPP eligible three-year-old children in accordance with family income rank
Second priority for General Child Care: All children and families who are not within the first priority for admission shall be admitted in accordance with family income. All eligible families are ranked on the waiting list in accordance with family income and size. The EES enrollment is based on two different wait list, a) subsidize list and b) full fee list.

Per Title V, first admission priority is given to children receiving protective services, identified as abused or neglected; or at risk of abuse, neglect, or exploitation.

Currently enrolled children are given priority for admission to the next program if and when there is an opening in that program.

Siblings of currently enrolled children are given priority for admission if and when there is an age-appropriate opening.

Enrollment Process
Subsidized Intake Appointment
If your family has risen to the top of the subsidized eligibility waitlist and has provided, upon request, documentation of family income, you will be scheduled for an intake appointment. At that appointment, an EES administrator will welcome you to the program and review with you your qualification documentation and enrollment paperwork. Please bring everything requested to this appointment. Subsidy and enrollment paperwork must be completed before your child can attend.

According to regulations required by the State of California, Child Development Division, the parent must provide documentation regarding the number of children and parents in the family.

Families will get notified by email and to what to bring to enrollment appointment. The application for service with staff must be signed and dated by both. Next, the Notice of Action (NOA) is issued after certification.
The NOA is issued when:

- Certification is completed
- Recertification is completed
- Changes that affect need, fees and eligibility occur
- The family is terminated from the program
- Family fee is delinquent

In summary-NOA is issued to the parent for approval, denial, termination, delinquent fees and change to services

Family Size
Supporting documentation for the number of children under age 18 shall be at least one of the following:

- Birth Certificate
- Child custody court order
- Adoption documents
- Foster care placement records
- School or medical records
- County welfare department records
- Tax record indicating dependency
- Other reliable documentation indicating the relationship of the child to parent

When only one parent has signed the application for services and the information provided indicates the child has another parent whose name does not appear on the application, then the presence or absence of that parent shall be documented.

For documentation of one parent status (as applicable) you will be asked to provide the following as evidence that you are the only parent:

- Records of marriage, divorce or legal separation documents, domestic partnership
- Court-ordered custody arrangements
- Evidence of child support
- Rental receipts or utility bills indicating your sole responsibility
- Any other documentation showing you are the sole parent
- Any other documentation, excluding a self-declaration to confirm the presence or absence of the parent of the child in the family

If due to recent departure of a parent from the family, the remaining applicant parent may submit a self-declaration under penalty of perjury explaining the absence of that parent from the family. Within six months of applying for reporting the change is family size, the parent must provide one of the above documentations.

Employee Documentation

- Documentation of hourly and weekly work schedule
- Release authorization and payroll check stubs
- Release authorization and letter from employer; or
- Other record of wages issued by the employer
- Provide copies of the documentation of all non-wage income
- Provide self-certification of any income for which no documentation is possible

Self-Employee Documentation

As many of the following types of documentation as necessary to determine income:

- Letter for source of income
- Copy of the most recently signed and completed tax return
- Other business records, such as ledger, receipts, or businesses logs

Homelessness Documentation

- Written referral from an emergency shelter or other legal, medical or social services agency
- Or
- A written parental declaration that the family is homeless and a statement describing the family’s living situation.

Education or Training Documentation

If the basis of need on the application for services is vocational training leading to a recognized trade, paraprofessional childcare and development service shall be limited.

The parent shall provide documentation of the days and hours of vocational training to include:
• A statement of the parent’s vocational goal;
• The name of the training institution that is providing the vocational training;
• The dates that current quarter, semester, or training period, as applicable, will begin and end;
• Parent schedule specifically detailing time spent in class, studying, and commuting (this will have to be a statement that is signed under penalty of perjury)

**Child Protective Services Documentation**
Written referral, dated within six months of application for services and includes:
• Statement from local county welfare department, child welfare service worker certifying that the child is receiving Child Protective Services (CPS) and that child care and development services are a necessary component of the CPS services are a necessary component of the CPS service plan
• Probable duration of the CPS service plan
• Name, address, phone number and signature of the county child welfare staff

**At Risk Documentation**
Written referral, dated within six months of application for services and includes:
• Statement by a legally qualified professional that the child is at risk of abuse and neglect and that child care, and development services are needed to reduce or eliminate that risk
• Probable duration of the CPS service plan
• Name, address, phone number and signature of the county child welfare staff

Once certified, a family shall receive services for no less than 12 months, without having to report changes in eligibility or need, with the following exceptions:

• Families certified as income eligible, when their adjusted monthly income adjusted for family size exceeds 85 percent of the state median income (SMI) as published by the State Superintendent of Public Instruction.
• Families who voluntarily report changes in order to reduce family fees, increase service schedule, or extend the period of eligibility before recertification.

**12-Month Eligibility**

California Education Code (EC) Section 8263(h), as amended by Assembly Bill 99, Chapter 15, Statutes of 2017, provides that families, in all need categories, shall receive services as follows:

• Initial certification: The family is eligible to receive services for no less than 12 months.
• Recertification: The family is eligible to receive services for no less than 12 months from recertification.

**How to Continue In the Program**

All families shall be recertified for no less than 12 months of service. For recertification, families shall be required to provide documentation to support continued eligibility and need for services. Families shall be notified in advance of recertification date. For eligibility and/or need based on “At Risk”, recertification shall be within three (3) months and need shall be on any other need criterion-not “At risk”.

**Family Fees**

Family Fees assessment is based on family combined income, family size and hours of care per month at the time of certification or recertification.

• Each month your family is billed in advance of services provide
• No adjustment shall be made for excused or unexcused absences
• Invoices are emailed to families a few days prior to the month that is billed
• Payment is due upon receipt
• Payment is made via check or money order to UC Regents
• Family will be given a written receipt upon receipt of payment
• Payment is considered late after seven (7) days. If the payment is not made by the 7th day, your family will receive a Notice of Action that states:
  ○ The total amount of unpaid fees
○ The fee rate
○ The period of delinquency
○ Services shall be terminated by two (2) weeks from the date of the Notice unless all delinquent fees are paid before the end of the two week period
○ Late pick-up fee every 15 minutes-$15.00

- EES will continue to provide services to your child(ren), provided the fees are paid by the termination date on the Notice of Action or the parent submits a repayment plan and maintains their payment plan.
- Upon termination of services for nonpayment of delinquent fees, your family shall be ineligible for child care and developmental services until all delinquent fees are paid in full.

Families are only required to report changes if the income exceeds 85 percent of the SMI.

Leaving EES
Childcare is reserved for persons affiliated with UCSC as students. Eligibility for childcare ends no less than 12 months with the parent or guardian’s enrollment at UCSC, or when an affiliated parent takes a leave from UCSC and is no longer paying fees). Please notify us in writing a minimum of two weeks before withdrawing your child from the program. Fee-paying families are responsible for all fees incurred during that two-week period, whether or not the child attends.

Program Centers

Infant/Toddler Center
The Infant/Toddler Center serves children ages 11 months - 24 months. The ratio of adults to children is 1:4. The hours of operation are 7:30am – 5:30pm during academic year, and 8:30am – 5:00pm during summer.

Preschool Center
The Preschool room is located in the community building. Typically serves 3-5 year olds. Hours of operation are 7:30am – 5:30pm during academic year and 8:30 – 5:00pm during summer.

School Age Center
The School Age Program serves 28 children. It operates as an after-school program during the academic year.

During the school year, hours of operation are 12:30 – 5:30pm for Kindergarteners; and 2:30pm – 5:30pm on Mondays, Tuesdays, Thursdays and Fridays for 2nd through 4th graders. On Wednesdays (public school half days), care is available from 12:30pm to 5:30pm for all school-age children. Extended care is available on a sign-up basis on some Santa Cruz City Schools closure days (University closure days excluded).

Program Closures
All programs close one or two days a quarter for staff development or third week of June. Program calendars with closure dates for the upcoming academic year are available in September at the beginning of the academic year.

Work days
Throughout the year, we may ask for help from families and friends to keep our centers clean, attractive, and safe. As we work together on the environment, we build community. We will occasionally organize workdays. However, families who wish may contribute anytime to the maintenance and/or enrichment of classrooms by repairing classroom materials, organizing photos onto display boards, helping children with an activity, or collecting recycling materials for children’s art. EES believes that successful childcare results from a partnership between families and teachers, and that our cooperative relationships are the foundation for our children’s future success.

Program Policies

Documenting Attendance
Sign in/out: Required by law for the safety and supervision of the children and for program fiscal accountability. Parents should sign-in/out sheet using full signature. Also, on the sign-in/out sheet the provider/teacher will use his/her first and last initials to note the time a school age child departs for and returns from school during the day.

Attendance records must be signed with the full signature of a parent, guardian, or an individual delegated by the parent for each arrival and departure. EES must have written consent to release a child to someone other than a parent or guardian. We will check.

Photo ID. This is a requirement and it is also essential for the protection of your child.

If your child is absent due to illness, you must record the specific illness legibly (e.g., cold, flu, etc.) and sign with a full signature. You must call the classroom if your child will be absent for the day or will be gone from the program for any period of time.

Attendance for Subsidized Families
Absent Policy
Our grant requires that all absences of subsidized children be excused absences. The California Department of Education allows the following excused absences:

- Child’s illness (list specific illness)
- Parent’s illness
- Dental, doctor, or therapy appointment (child/parent)
- Quarantine (specific)
- Family emergency (death, funeral, car accident, court appearance, sibling illness)
- Court ordered visitation with absent parent (maximum of four consecutive weeks – court order must be on file)
- Best interest days (limited to ten days per fiscal year (July 1-June 30)

A child is considered absent only if out for the entire day. Three unexcused absences are grounds for termination.

Unexcused Absence
Services will be terminated for any child served on a State of California Grant for subsidized care after the 3rd non-consecutive unexcused absence. Explanatory circumstances may be considered. Absences not excused are:
- Child did not feel like coming to school
- Woke up late (parent or child)

Suspension of Services
The intent of the 12-month provision is to provide continuity of care for children and families. If the program days of operation include non-academic days, EES will communicate to parents that the certification for services is valid for no less than 12 months and your child may continue to attend during breaks in the parent’s academic year.

If the parent chooses not to use services, they are still required to abide by the contractor’s attendance policies. EES reserves the right allowing parents to request a suspension of services during non-academic days.

If a suspension of service leave is granted, your child’s enrollment will not be terminated, but no services will be provided. A Suspension of services leave may not exceed twelve consecutive weeks except in the case of maternity or medically related leave from school or work.

Health and Safety
Prescriptions and Non-Medications
All prescription and nonprescription medications shall be maintained with the child’s name and shall be dated. These medications must be stored in the bottle’s original bottle with an unaltered label shall be administered in accordance of it’s label directions. We cannot administer the first dose of any medication. Medications will be stored in a locked container away from the children in each program. A teacher will document the administration of the medication on a medication chart (LC 9221). The center does not administer medication to lower a fever and these medications should not be given to a child prior to coming to school.

Over-the-counter medications may only be administered with a doctor’s prescription or signed physician’s statement. We must have written directions from the doctor on office stationary or prescription pad indicating your child’s name, the name of the medication, the amount and the times to be given. Please write your child’s name on the label. This policy has been adopted on the specific advice of the American Academy of Pediatrics and is intended to protect your child. We cannot administer aspirin in any form. We will administer diaper ointment, (Desitin, A&G etc.) with a parent-signed diaper ointment permission slip on file.

Children spend a great deal of time outdoors, and it is important to provide protection for their skin even on overcast days. We must have a parent-signed sunscreen permission slip on file for each child. Families are asked to apply sunscreen to children at home or upon arrival at the program. We apply sunscreen again later in the day, using PABA-free, hypoallergenic sunscreen. If you wish to have your child use another sunscreen, you must provide it in its original container labeled with your child’s name.
# UCSC EES Illness Policy

The EES Illness Policy applies to both children and staff. Its goal is to prevent the spread of communicable illness. While we cannot prevent all illness, we can reduce its incidence and severity. The staff will assess each child’s health daily upon arrival at the program and may use discretion in accepting a child on any day due to signs of illness. Parents are also asked to observe the child each morning for signs of illness and to call the program with any questions regarding the child’s fitness for school. If your child is found ill we will call the parent to pick up the child within 60 minutes.

Please call us if your child is diagnosed with a contagious disease. We notify families when we are aware that their children have been exposed to a contagious disease. We are also required to report incidents of serious contagious disease to the County Department of Health for health data collection purposes.

We need to have the most updated immunization record unless there is a written statement from parent(s) or authorized representative exempting child from medical assessment, immunizations, and treatment because of adherence to a religious faith that practices healing by prayer or other spiritual means; or physician’s statement that immunization is not indicated.

---

**Please call the classroom each day your child will be unable to attend due to illness.**

**Immunizations**

To enter a child care center, children must have received immunizations required by California law. Parents must submit their child’s immunization record as proof. The only exception would be:

- If a parent submits a personal beliefs exemption (PBE) filed at a prior California child care facility for missing shots(s) and immunization records with dates for all required shots not exempted. The PBE must have been filed before January 1, 2016 and is only valid until entry to transitional kindergarten/Kindergarten.

- If a parent submits a licensed physician’s written statement of a permanent medical exemption for missing shot(s) and immunization records with dates for all required shots not exempted.

**Emergency Plan**

Each quarter, EES conducts scheduled fire and earthquake drills so that staff and children are prepared to respond safely in an emergency. Our programs are equipped with fire extinguishers and smoke detectors that are wired to signal the campus Fire Department.

EES has a comprehensive emergency disaster plan, which is coordinated with the University’s Emergency Response Plan. In the event of a major disaster, children will be cared for on-site if it is safe to do so. In the event of a large-scale disaster or a disaster that persists for some time (e.g., a large earthquake or a major fire) each center will evacuate to the FSH evacuation site at the playing field, by the west entrance to campus.

Together with Family Student Housing, EES has stored first aid supplies, food, water, temporary shelters, and diapers in case children need to remain under our care for an extended period. Radio stations KZSC (88.1 FM) and KSCO (1080 AM) can be monitored for on-going information.

At enrollment, and annually in September you will be asked to complete a Child Emergency Information Form. On this sheet you may list additional individuals authorized to pick up your child in an emergency. Having the information necessary to reach an out-of-state party could assist us in establishing contact with you if local phone lines become inoperable.

In the event of a disaster, please come for your child as soon as possible. Even if the campus is closed, parents will be admitted to pick up their children. Sign-out procedures will be followed. If you send an adult to pick up your child; he or she must be on your child's regular emergency list or Emergency Contact Sheet for use in a major disaster and have a photo I.D. It is your responsibility to keep your child’s emergency list updated at all times. Updates can be made at the EES Business Office. Changes will be forwarded to your child’s Program Supervisor.

We encourage you to have a “family plan” which includes meeting locations, out-of-state contacts, and contingency stratagems.

**Natural Disaster Plan**

Fire and Earthquake drills are held on a regular basis. Safety Managers and supervisor shall maintain a safe working environment for themselves and their staff. Earthquake safety measures are to be implemented and maintained in each program. Each program will designate a safety officer to assess and implement ongoing safety needs in accordance with UCSC’s Injury and Illness Prevention Program. Each teacher has a personal copy of the emergency plan; they should be familiar with evacuation procedures as well as their role in an actual emergency. In addition, a copy of the emergency plan is in each classroom’s Emergency Backpack. Emergency Backpacks are to be hung near the primary evacuation door. Teachers should take their Emergency Backpacks and Sign-In Books with them, check to see if they have all the children and then close all doors as they leave the classroom during a fire drill. Administrators will visually check the building before they exit. Teachers will take roll against their sign-in book when they reach their evacuation site.

**Injury, Incident and Unusual Incident Report Procedure**

If a child receives a superficial injury, a staff member will wash the injured area with soap and water, apply a bandage, or ice – and give comfort. Teachers are trained in safety, pediatric first aid and CPR. All first aid kits are located in every program. There are also first aid supplies in the Emergency Backpacks in each classroom. Supplies are checked regularly and replenished as necessary. Guidelines for Blood Exposure are posted in each bathroom and appropriate supplies (gloves, mouthpieces, etc.) are in the First Aid Kits and Emergency Backpacks.

An Accident Report is filled out for all injuries occurring at the program. You will receive a copy of your child's accident report in your parent pocket. A copy will be added to your child's file.
In the event of a more serious accident, we will contact you at once and call 911. The campus Fire Department responds immediately. In the event a child needs to go to Dominican Hospital, that child will be transported by ambulance and accompanied by an EES staff person, unless we are able to contact you and you wish to provide transportation.

Unusual Incident/ Injury Reports must be completed and reporting to our local regional licensing office when a child has suffered any injury or has been subjected to any act of violence while under our care.

Suspected Child Abuse
All EES staff members will be trained to operate in compliance with the State of California’s “Mandated Reporter” of Child Abuse and Neglect laws. Under this law, staff members are required to file a formal report if they have knowledge of or observe a child whom the staff member knows or reasonably believes is the victim of abuse or neglect. If you have concerns about a child in your classroom, inform the Site Supervisor immediately. The Director or Site Supervisor will either place the appropriate calls or support the staff person in making the calls, including one to the parents or guardian of the child. Throughout the process, the Director and/or Site Supervisor will be directly involved as a support to staff and as a facilitator for all parties involved. State law not only mandates that a written and verbal report be made, it also prohibits anyone from dissuading you from reporting. EES’ goal is to support staff through the process and to make decisions in the best interest of the children. As with any sensitive or personal family issue, confidentiality must be maintained. This is not a choice or a matter of judgment. For the protection of children, we take this responsibility very seriously. For more detailed information on Child Abuse Risk Prevention please refer to our EES booklet, Keeping Your Child Safe: A Parent’s Guide to Abuse Prevention, Detection, and Intervention.

How to Report Child Abuse and Neglect:
Under the Child Abuse and Neglect Reporting Act, a mandated reporter must:

1) Make an initial report immediately or as soon as practicably possible by telephone to any police department or sheriff’s department, and must submit a written follow-up report by mail, fax, or other electronic means within 36 hours of receiving the information about the incident.

2) Prepare and submit Form 8572 to any police department or sheriff’s department. Detailed instructions for completing the report can be obtained at: http://oag.ca.gov/sites/all/files/pdfs/childabuse/pdf/ss_8572.pdf

3) Promptly report observed or suspected abuse or neglect to the site supervisor or director. The site supervisor or director will forward your report to the University Compliance Hotline without delay.

What Types of Conduct Is Reportable?
Child abuse or neglect, including physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse, neglect, willful harm or injury, endangerment, unlawful corporal punishment or injury. Child abuse does not include “mutual affray” between minors (e.g., fistfights); the pregnancy of a minor does not in and of itself constitute a reasonable suspicion of sexual abuse.

The following concerns may be reported even absent of abuse or neglect: Serious emotional damage or substantial risk of serious emotional damage, evidenced by states of being or behavior including but not limited to severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others.

What Information Must a Mandated Reporter Report?
Mandated reports must include name, business address, and telephone number of the mandated reporter, what makes the person a mandated reporter, and the information or observation that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. The following information, if known, must also be included: child’s name, address, present location and if applicable school, grade, and class; names, addresses and phone numbers of the child’s parents or guardians; name, address, phone number, and other relevant personal information about the person or persons who might have abused or neglected the child. A mandated report must be made even if some of the above information is unknown or uncertain at the time of the report.

Licensing and Regulation
The UCSC EES Centers are licensed by the State of California, Department of Social Services Community Care Licensing. We are administered under Title 22 and Title V regulations. The local licensing office is in San Jose and can
be reached either by writing to the Department of Social Services, Community Care Licensing, San Jose District Office, 2580 North First Street, Suite 300, San Jose, CA 95131, or by calling (408) 324-2148.

To be informed, and to have the authorized representative informed by the licensee, of the provisions of law regarding complaints including, but not limited to, the address and telephone number of the licensing agency’s complaint receiving unit, and of information regarding confidentiality.

Parents’ Rights
Custodial parents have the right to enter and inspect child care centers where their children are receiving care without advance notice during normal business hours. Access to the facility can be denied when, in the opinion of center personnel, the parent or guardian is behaving in a way which poses a risk to children in the facility or the adult is a non-custodial parent and the facility has an original court document denying access to the non-custodial parent.

Children’s Personal Rights
The following is an excerpt from the official state legal code for Personal Rights.

Each person receiving services from a child care facility shall have rights to be accorded dignity in his/her personal relationship with staff and other persons, to be accorded safe, healthful and comfortable accommodations, furnishings and equipment to meet his or her needs.

Discipline & Positive Guidance Philosophy
Each of us has strong beliefs about what is important for children, and at times these beliefs may differ. Learning to get along with others is a process that begins in childhood and develops throughout our lives. For children, this emerging skill can be assisted by the support and guidance of others. We are committed to providing guidance for children in our care, which promotes the following:

- Positive self-concept and self-esteem
- Successful social interaction
- Respect for diversity
- Independence
- A sense of responsibility to community
- Self control
- Problem solving skills
- Conflict resolution skills

In an atmosphere of support and safety, as part of our daily curriculum, we foster self-discipline in children. We aid children in the expression of their feelings and help them develop their skills in problem-solving and conflict resolution. Families and staff work cooperatively in the process as each share information and insights.

At no time will any adult in our programs physically harm a child, use verbal threats, or speak to a child in a way that is disrespectful or damaging to self-esteem. Children will not be physically restrained unless they are in immediate danger to themselves or others. Teachers’ approaches to assisting children through conflict resolution may differ depending on the age of the children and the situation, but will always be based in respect for the feelings, actions and ideas that children bring to conflict situations.

Limit Setting - In order for children to build trusting relationships and feel confident to explore, they must clearly know what is expected of them. Rules are kept to a minimum and are basic, clear and concise. Limits and expectations expand as children’s skills in self-regulation increase.

Consistency - Behavioral limits and expectations are consistent throughout the classroom and from one center to the next. Consistency provides a secure and predictable basis for children to anticipate outcomes and make choices about their own behavior.

Tone - “You are safe, the situation is under control and we can work it out”, is the message a child must receive from adults intervening in a conflict situation. A firm, kind, but serious tone with a relaxed demeanor reinforces this message.
Modeling - Our actions speak clearly to children. Adults in EES classrooms set an example of compassion characterized by the willingness to express needs and feelings clearly and calmly while responding to the needs of others. “I feel angry when you hit me. Let’s sit down so you can tell me what is bothering you.”

Physical Intervention - Children will be physically stopped, if at all possible, before they hurt someone; and certainly if observed in the act of hurting another. When children are safe, the teacher shifts focus to conflict resolution.

Passive Intervention - Whenever possible, children are provided space to work through their own problems. If a conflict situation does not escalate to destructive or aggressive behavior, a teacher may choose to simply observe as the children seek a solution. The teacher’s mere presence can serve as a gentle reminder to employ problem-solving skills rather than resorting to physical or verbal aggression. Teachers allow children the opportunity to ‘figure it out’ but remain present in case intervention is necessary. When applied, intervention is as non-intrusive as possible.

Identifying/Interpreting - “You both want the truck.” This simple statement can clarify the problem, diffuse tension, and help problem solving begin. Children need help to consider another’s emotions or needs—especially when they are upset themselves. For example, “See his tears? It really hurt him when you kicked him.”

Validating Feelings - Constructive thinking is virtually impossible when one is overcome by an emotion such as anger, sadness, fear, or frustration. Acknowledging the emotion is imperative before any other “learning” can occur. “I will not allow you to hit him, but, tell us why you are so angry.” It is essential that all children involved in a conflict be honestly listened to. Children are not told to say “I’m sorry,” but rather, to actively comfort or offer help to the child they hurt/upset. Adults may say, “I am sorry you got hurt” and at some point children will spontaneously do the same.

Generating Options/Solutions - Examples: “Can you think of a way to use the truck together? Is there a road for it to drive on?” “Look, Jose is crying from that push you gave him. Ask him if he would like you to brush him off.” “Everyone wants a turn. How can we work that out?” For infants, the teacher may place a different toy near two infants who are tugging on one doll. From a list of specific choices to the general question “Well, what should we do about it?” children are given tools to settle conflicts, negotiate, collaborate, and resolve their differences.

Natural Consequences - “You dumped your milk on the floor. Please get the sponge to clean it up.” “You threw sand after we asked you not to. Now I’ll help you leave the sandbox and find a different area to play in.” “When you crawl under that table it is hard to sit up. Would you like some help getting out?” These are just a few examples of the natural consequences that teachers point out and reinforce as they occur. Children see the results of their own behavior and begin to modify it accordingly.

Redirection - A request to stop a negative behavior is accompanied by a suggestion for an appropriate behavior with which to replace it... “You may not throw the sand; if you want to throw something here are some bean bags and a bucket to throw them into.”

“Time Out” - Time out is not used in our programs. While it may interrupt a negative behavior, it does not help children acquire the skills to deal with the situation should it arise again? Young children are generally not yet capable of the reflective thought necessary to make time out a learning situation. If a child needs time apart to calm down, teachers facilitate this in a non-punitive manner, giving the child time, space, and emotional support to find calm.

When more is needed

When a child’s behavior is excessively disruptive or harmful to individual children or the group, we will call the parent to pick up their child. We will require a conference between family, teacher and Program Supervisor before the child can return.

If teachers and administrative staff concur that additional support and expertise are required to best meet a child’s needs, we may require any or all of the following measures. Staff will work closely with the family to ensure the child’s success in the program.

- **Additional Family – Teacher Conferences** - May be held. The Program Supervisor may also attend to share observations, professional opinions and to offer support to the family and staff. The purpose of the conference is to clearly define the problem, reexamine possible causes, brainstorm any changes that the staff and/or family can make and reinforce consistency between home and school. Parents may be asked to meet with staff on a regular basis. This provides extra support for the family and assures communication between home and school.

- **Professional support** - For example, a resource specialist from the public schools may be sought. Your Program Supervisor can facilitate the referral process and assist in coordinating the efforts of parents, staff, and specialists.
• Adjusted schedule: Staff may determine that an adjusted schedule (for example, shortened hours or different arrival time) is in the best interest of the child and/or classroom. Typically, this is a temporary measure, pending resolution of the issue.

• Counseling: Families may be asked to seek professional counseling outside the program. Staff welcomes observations, additional insights and suggestions. The counselor with a waiver can ask to speak with us.

• Suspension of Services: We reserve the right to suspend services for a period of time if the child’s behavior is harmful to self or others. A parent conference is required before a suspended child may return to the program. The continued enrollment of an excessively disruptive child will be made contingent upon the family’s willingness to cooperate in finding a solution, as well as the child’s success in changing the behavior in question.

• Termination: will be implemented only as a last resort. EES staff is committed to seeking solutions for challenging situations with children and families.

General Policies

Daily Routines
If you are a new family to EES, your child’s Program Supervisor will arrange an orientation and tour of your child’s classroom to answer questions and familiarize you with some of the routines described below. In addition, an initial conference is necessary to complete the forms and discuss the program policies. Title 22 requires that both the parent and child attend a conference before care begins.

Arrivals & Departures
The beginning of the day is an important time for children and their families. We know that for some families separating may be a new experience. Children display a variety of behaviors at drop offs as they adjust to the experience. A teacher will greet you and help you both with this transition. Teachers will assist with a gradual separation when you are getting started, and any time that separation becomes challenging. Creating a family ritual at separation helps children anticipate what is going to happen.

Children are able to separate with greater comfort when families convey their own confidence that their child will be safe and cared for while they are away. Always say goodbye when you leave, so that your child develops trust that you won’t just disappear. Please let us know if there is any special ways we can assist your child feel comfortable with you leaving and feel free to call during the day to ask about your child.

It is important to arrive for pick-up before closure. Children can become anxious when they are the last one in the classroom. In addition, teachers have prep time, tasks and classes to attend in the evenings as well as families of their own that they must attend too.

If a child has not been picked up by 5:30pm (academic year) or 5:00pm (summer) and the family/parent has not called, the teacher will begin calling emergency phone numbers that are listed on the Child’s Emergency Information form. If no approved adult can be reached and the parent has not called, campus police will be contacted at 5:45pm (academic year) or 5:15pm (summer) and the child will be turned over to an officer’s custody. If it’s an infant, a teacher will accompany the child with the officer.

Authorization to Pick Up
EES must have written consent to release a child to someone other than a parent or guardian. We will check photo ID. This is a requirement of our CDE funding. It is also essential for the protection of your child.

If you would like to change or add to the list of individuals authorized to sign your child out of the program, please come by the EES Office. Changes will be forwarded to the Program Supervisor.

Dressing for the Day
Your child will be actively playing, learning and experimenting in our programs. Our environments will expose your children to sand, water, glue, play dough and tempera paint. Please send your child in comfortable play clothes that you do not mind them getting dirty. Please provide an extra change of clothing in your child’s cubby so that fresh clothing will be available as needed. Label all clothing with your child’s name. Sturdy and safe shoes are important for children who are spending their day climbing, balancing, running, and riding tricycles. Shoes with flat rubber soles are a good choice.

Field Trips
Our campus provides rich opportunities to learn about the community and the natural world. Similar to outings children take with their families, on-campus field trips encourage language development, promote sensory and motor development and expand children’s perceptions of the world. As part of our everyday curriculum, our children may take nature walks. You will be asked to sign an on-campus field trip permission slip. Walking field trips and special visitors add a perfect touch to a full program. EES does not offer transportation services. However, we may utilize consultants and community resources.

**Research**

EES supports the research activities of the UCSC academic community. Most research projects conducted in the classroom are strictly observational. No child will be included in a research project without parental consent. The director and the Human Subjects Institutional Review Board review all research.

**Transferring to the Next Program**

Currently enrolled children have priority for enrollment in the next classroom they will become age-eligible for. All children that are currently enrolled as of the last day of the Spring Quarter will be guaranteed enrollment in the fall provided that the family submits the request for enrollment by the deadline. Children typically transition as a peer group to the next classroom at this time of year. If you wish for your child to be individually considered for another program at a different time of the year, please initiate that discussion with your child’s primary caregiver and Program Supervisor. Transferring from one program to the next is only possible when and if there is an age-appropriate opening.

We make every attempt to ease the transition from one classroom or program to the next for children and their families. Each program has a developmentally based transition plan. Families have the opportunity to meet with the child’s new primary caregivers and the Program Supervisor to discuss any pertinent information that may help the transition process. At this time, a schedule will be discussed for the child’s transitional visits to the new classroom.

**Toilet Learning**

We help children learn about bodily functions in a positive and comfortable way as part of their natural physical experience. We frame diapering as a meaningful learning activity. Being “toilet trained” is not a requirement of enrollment in the EES Infant Program or Younger Preschool. We understand and are aware of signs of readiness for toilet learning. When parents and teachers see these signs and agree that a child is ready physically, cognitively, and emotionally, they will develop a plan together to help the child learn to use the toilet. The process of self-toileting is a gradual one. We suggest dressing your child in elastic pants that can easily be pulled up and down. Developmental issues of autonomy sometimes conflict with a child’s continued need for security and nurturance. We know that children learning to use the toilet can become a complex issue for both parents and children.

**What to Provide from Home**

**Infant and Younger Preschool Programs:**

Please bring the following items with you on your infant or preschooler’s first day.

- A small crib-sized (for infants) or cot-sized (for preschoolers) blanket for nap (Must be wash weekly at home)
- Diapers/Pull Ups (enough for your child’s entire day)
- Jacket and boots for cold or rainy days
- Sippy cup/water bottle
- Formula or breast milk if needed
- Extra set of clothes (make sure all clothes are labeled)
- Sunscreen, labeled with name
- Family picture
- Diaper cream, labeled with name (if needed)

**What NOT to bring**
Toy guns, weapons, and war toys are not allowed at the program. Please do not allow your child(ren) to bring personal belongings to school. EES shall not be responsible for the loss or damage of toys, games, clothes or other personal belongings. For your children’s safety and health, we do not allow children to bring gum or candy.

**Birthdays**

Young children greatly enjoy celebrating birthdays and other important events. Each classroom has a unique way to recognize special days. We try to find appropriate ways to celebrate in which all children can join. In addition, teachers try to balance the natural exuberance and energy without creating an overwhelming situation in the classroom. To these ends, we ask that families are simple in celebrating their child’s birthday. We encourage healthier and individualized treats.

If a parent is having a celebration for their child outside of school, we ask that they do not deliver invitations to school unless ALL of the children in the class are being invited. We ask parents to check with the teacher on any upcoming events in case they may want to contribute food or help volunteer during the event. If a family has a special occasion that they want to share with the class, we ask that the parent discuss it in advance with the teacher. We are confident that collaboration between parent and teacher can create many memorable and special celebrations for the children that are appropriate to the classroom setting.

**Babysitting or Socializing With EES Teachers**

EES prohibits teachers from engaging in social or arranged interactions and engagements outside of regularly scheduled program activities (such as babysitting, birthday parties, social get-togethers) with the children and their families, who are enrolled in the child care center program.

**State Resources**

If you feel you have experienced discrimination, please talk to the civil rights coordinator. For information on how to proceed if you have a complaint or appeal regarding either EES’ participation in the Nutrition Program or our state contracts, please refer to Appendices E and F; Complaint Procedure - Child Nutrition Program and California Department of Education Complaint and Appeal Procedure. We encourage you to bring any complaints and concerns about the health, safety, and welfare of children directly to EES. You always have the right to contact California Community Care Licensing if you feel we have not adequately addressed your concern.

**Campus Resources**

If you would like a neutral party to facilitate conflict resolution with another individual, department or agency, you may contact the campus ombudsman. If you prefer, you can consult ombudsman anonymously.

**UCSC EES Statement of Confidentiality**

All records of families with children enrolled in the program are strictly confidential and are not released except (1) with written consent of the family members or (2) upon demand of a court-ordered subpoena.

These records are kept in secure files with access limited to center staff. Confidential records include, but not limited to: the enrollment application and health/developmental information. In accordance with our standards of professional behavior, any non-center related discussion of information contained in family records, is pursuant to section 101200(b) and (c) of Title 22 regulations, community Care Licensing has the right to interview the children and staff, and to inspect, audit and copy all records maintained by the program upon demand during normal business hours, without securing prior consent. Child Protective Services has the right at all licensed child care facilities to observe and interview children on the premises without securing prior consent.

**Termination Policies**

**Our Dismissal Policy**

We reserve the right to dismiss a child from our program if, for any reason, we feel the child's individual needs are not being met and we have exhausted all possible resources. We reserve the right to dismiss a child if her or his needs or behavior interferes with other children’s rights to attend a safe and nurturing program. We will make every effort to assist a family in finding more appropriate care before leaving the program. We reserve the right to dismiss a family/person whose behavior presents a risk to children and staff (parent using profane language, treats. Destroying property, etc).

- Excessive late pick-ups of children.
• 3 excused absences (for children who have spaces subsidized by California Department of Education funding).
• Failure to pay fees.
• Failure to comply with policies.

The following are also considered grounds for the termination of child care services
• Violation of center’s policies and procedures
• Failure to meet subsidy requirements
• Knowing using incorrect or inaccurate information to obtain a benefit that they would otherwise not be entitled to receive
• Refusal of the parent to provide essential information pertaining to record keeping and eligibility

Misrepresentation

Individuals who misrepresent information on enrollment or admission paperwork may be subject to termination of services.

Of course, we hope that we can resolve any problems you may have regarding our program by meeting and discussion. We recognize that you are responsible for compliance with State and Federal laws and regulations governing child care programs. We investigate and seek to resolve complaints at the local level in accordance with applicable laws and administrative regulations. As provided by Title 5, California Code of Regulations, any individual may file a written complaint. Described below is the process for complaining and/or appealing if you have received a Notice of Action denying, changing, or terminating services, or increasing or decreasing parent fees. We are required to mail or deliver such Notice of Action to you at least 19 calendar days before the effective date of the intended action. The appeal process is detailed on the second page of the Notice of Action.

Clients Request for a Hearing and Procedures

If a parent disagrees with an action, the parent(s) may file a request for a hearing with the Appeal Officer within 14 calendar days of the date the Notice of Action was received. Upon the filing of a request for hearing, the intended action shall be suspended until the review process has been completed. The review process is completed when the appeal process has been exhausted or when the parent(s) abandons the appeal process.

Within 10 calendar days following the receipt of the request for a hearing, the contractor shall notify the parent(s) of the time and place of the hearing. The time and place of the hearing shall, to the extent possible, be convenient for the parent(s).

An administrative staff person who shall be referred to as “the hearing officer” shall conduct the hearing. The hearing officer shall be at a staff level higher in authority than the staff person who made the contested decision.

The parent(s) or parent’s authorized representative is required to attend the hearing. If the parent or the parent’s authorized representative fails to appear at the hearing, the parent will be deemed to have abandoned his or her appeal. Only persons directly affected by the hearing shall be allowed to attend.

The contractor shall arrange for the presence of an interpreter at the hearing, if one is requested by the parent(s).

The hearing officer shall explain to the parent(s) the legal, regulatory, or policy basis for the intended action.

During the hearing the parent(s) shall have an opportunity to explain the reason(s) they believe the contractor’s decision was incorrect. The contractor’s staff shall present any material facts omitted by the parent(s).

The hearing officer shall mail or deliver to the parent(s) a written decision within 10 calendar days after the hearing.

Appeal Procedure for CDE Review

If the parent disagrees with the written decision from the contractor, the parent has 14 calendar days in which to appeal to the CDE. If the parent(s) do(es) not submit an appeal request to the CDE within 14 calendar days, the parents’ appeal process shall be deemed abandoned and the contractor may implement the intended action.

The appeal should be sent to California Department of Education, Child Development Division, 1430 N Street, Suite 3410, Sacramento, CA 95814, Attn: Appeals Coordinator.
The parent(s) shall specify in the appeal request the reason(s) why he/she believes the contractor’s decision was incorrect. The parent(s) with the appeal request shall submit a copy of the contractor’s notice of intended action and written decision.

Upon receipt of an appeal request, the CDE may request copies of the basic data file and other relevant materials from the contractor. The CDE may also conduct any investigations, interviews or mediation necessary to resolve the appeal. The decision of the CDE shall be mailed or delivered to the parent(s) and to the contractor within 30 calendar days after receipt of the appeal request.

Contractor Compliance with CDE Decision

The contractor shall comply with the decision of the CDE immediately upon receipt thereof. The contractor shall be reimbursed for childcare and development services delivered to the family during the appeal process. If a contractor’s determination that a family is ineligible is upheld by the CDE, services to the family shall cease upon receipt of the CDE’s decision by the contractor.

Uniform Complaint Procedures

It is the intent of UCSC’s EES to fully comply with all applicable state and federal laws and regulations. Individuals, agencies, organizations, students and interested third parties have the right to file a complaint regarding the UCSC EES’ alleged violation of federal and/or state laws. This includes allegations of unlawful discrimination (Education Code Sections 200 and 220 and Government Code Section 11135) in any program or activity funded directly by the State or receiving federal or state financial assistance. Complaints must be signed and filed in writing with the State Department of Education.

If the complainant is not satisfied with the final written decision of the California Department of Education, remedies may be available in federal or state court. The complainant should seek the advice of an attorney if his/her interest is in this event. A complainant filing a written complaint alleging violations of prohibited discrimination may also pursue civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or order.
